

European Researchers' Night

BlueNIGHTs

29.9.2023 10am–4pm

Together with

Helsinki

Rotary
D1385-1430

Step in the Helsinki City Hall and
Learn more about the Baltic Sea and its research!

Pohjoisesplanadi 11-13

The 2023 European Researchers' Night
is ocean orientated in six EU countries!

BlueNIGHTs is a project funded by the European Commission
under the HORIZON-MSCA-2022-CITIZENS-01 action, GA 101061605

European Researchers' Night

BlueNIGHTS

Pohjoisesplanadi 11–13, Helsinki City Hall

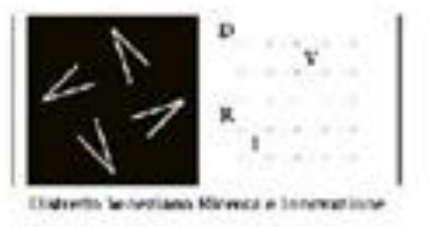

PROGRAM

- ❑ Visit the Baltic Sea marine doctors' desk:
Harri Kuosa, Vivi Fleming, Kai Myrberg
- ❑ Watch the video « Baltic Sea through scientist's eyes ».
- ❑ Get to know more about R/V Vessel Aranda!
- ❑ See photo exhibition: biodiversity underneath the Baltic Sea surface!
- ❑ Test how long it takes for marine litter to decompose.

Together with

Helsinki

European Researchers' Night

BlueNIGHTs

- ❑ Listen the show of under water sounds – it is noisy down there!
- ❑ Take the workshop on beach microplastics and learn!
- ❑ Watch plankton an Ideotea LIVE!
- ❑ Travel of household chemicals – how to keep them away from nature.
- ❑ Lend your hand to the Baltic Sea: how to support the wellbeing of our seas.
